The LEGO Holiday Zone. Where strange things happen. One holiday eve, witnesses said an Alien Avenger and a Warp Wing Fighter flew overhead. Other witnesses heard jingling bells and a jolly voice say, "and to all a good night." Then the UFO's scattered their cargo of LEGO holiday presents throughout the Holiday Zone and the pieces got all mixed up. You can help search teams find the hidden pieces.

# Basil's Cave of Missing Words!

# Characters

Basil

Dwight the dragon

Fire Chief

Scuba Sandy

Diver Dan

’Twas a quiet holiday eve, and all through the land, not a creature stirring, not even a \_\_\_\_\_ (object). In a cave near Witch’s Magic Manor lived \_\_\_\_\_ (description) the grinchy knight and his \_\_\_\_\_ (description) named Dwight.

\_\_\_\_\_ and \_\_\_\_\_ looked down on the LEGO Town and saw everyone filled with holiday cheer and good will. The Blaze Brigade \_\_\_\_\_ (action) on their truck’s ladder, decorating a large \_\_\_\_\_ (description) tree, and watching this just made \_\_\_\_\_ madder and madder. He thought and he thought and he thought with a zing, “I must stop this whole holiday thing.”

Basil put a bow and a \_\_\_\_\_ (object) on top of poor Dwight, hitched him to the Traitor Transport, and zoomed off in the night. Down to the town they \_\_\_\_\_ (action) in a flash, and ran into a \_\_\_\_\_ (description) roadblock with a tremendous CRASH.

The Roadblock Runners put \_\_\_\_\_ and \_\_\_\_\_ into their shiny red 4-wheeler and said, “We know what to do with this \_\_\_\_\_ (description) holiday steeler.” “Oh, no,” thought \_\_\_\_\_ as they drove. “I hope they don’t throw me in \_\_\_\_\_ (object) Cage Cove.”

The truck \_\_\_\_\_ (action) into the busy town square and everyone, even \_\_\_\_\_, was there. As the townspeople stood around Basil, \_\_\_\_\_ said, “Now it’s time for a little razzle-dazzle.”

The tree lights began to glow, and \_\_\_\_\_ handed \_\_\_\_\_ a present with a jolly, “ho, ho, ho.” Basil opened his \_\_\_\_\_ (object) and started to play, then smiled and said, “Hey, I like this holiday!”

BOM!

High up in the hills, the Maniac started building the world's largest snowman. He lifted one super-sized snow boulder with the #8277 LEGO TECHNIC Giant Robot and things suddenly got out of hand (and claw). He dropped the big ball and it broke into pieces. The smaller snowballs tumbled down the hill and doubled, tripled, and even octupled in size. They rolled over anything in their path and landed all over the magazine.

Look closely to see who got steamrolled by the stupendous snowballs. Some characters may be buried deep in the snow and hard to identify, so there are contest clue symbols to help you. Just tell us the page where you found the LEGO characters. (The characters on this page don't count!)
