

Congratulations - you've won!

Here's your championship prize: your very own LEGO

Minifigures Grandmaster Martial Arts Certificate!

Just print it out and fill in the blank spaces with the date, month, year and your name, then display it for all to see!

(Warning: certificate only makes you a grandmaster at Minifigure martial arts, not the real thing!)

The LEGO logo is centered at the top of the certificate, featuring the word "LEGO" in its characteristic white, rounded, sans-serif font with a black outline, set against a solid red square background.
