

Congratulations – you've won!

Now here's your prize: a skate park for your Skater mini-figure to try out his best stunts!

Just print out the page and ask for an adult's permission or help to carefully cut out each of the 3 skating accessories. Look at the pictures at the top of the page to see how to fold or curl them, and then use child-safe glue or tape to hold them in place. Now your Skater is really ready to show off his moves!
