The six Rahkshi have arrived on Mata Nui with a fearsome mission: to find the Mask of Light and stop the coming of the Seventh Toa. These "sons of Makuta" have the raw power to defeat the Toa Nuva and accomplish their task. But should danger threaten, they can merge into two mighty Rahkshi Kaita!

Rahkshi Kaita Za

This three-headed beast is guided by Turahk's kraata-za. In addition to the powers of anger, fear, and poison, it is able to transform itself into a living cyclone.

Rahkshi Kaita Vo

This bizarre creature's intelligence comes from the kraata-vo it carries inside. Its powers include the ability to make structures crack and collapse, to shatter obstacles, to absorb the energy of opponents, and to release that energy in a powerful blast.
