

Trouble For Tahu

The evil Makuta rules the island of Mata Nui. The residents have put their faith in a legend. One day six canisters appeared on the shores containing six mighty warriors. The legendary Toa have arrived. To defeat Makuta, the Toa must find the Great Masks of Power.

In last month's adventure Lewa met Gali, the Toa of Water. Together they kept a swarm of Nui-Rama at bay. Further up the coastline of Mata Nui, another Toa was about to run into trouble...
