LEGO

A promotional image for the LEGO Bionicle franchise. The scene is set in a dark, cavernous environment with glowing green light sources. On the left, a large, red, stylized mask with glowing yellow eyes looms. In the center, a large, red and black Bionicle figure is shown in a dynamic, forward-leaning pose. To its right, another Bionicle figure is visible, and further back, a smaller figure is seen. The overall atmosphere is mysterious and action-oriented.
