# METRU NUI ISLAND

1.1

**Mysteries of Metru Nui**  
 In Metru Nui, a city of legends, six new Toa face the ultimate challenge. A monstrous plant, the Morbuzak, threatens to wreck the city and only six power disks can stop it. But the only Matoran who know where the missing disks can be found have disappeared as well! Now the Toa must find the Matoran and the disks before Metru Nui is lost. But a shadowy power behind the scenes will do anything to stop the Toa... and one of the Matoran plans to betray the city and all who live there.
